DEMONSTRATIVE GRAPHIC SERVICES

VISUAL COMMUNICATION FOR THE COURTROOM

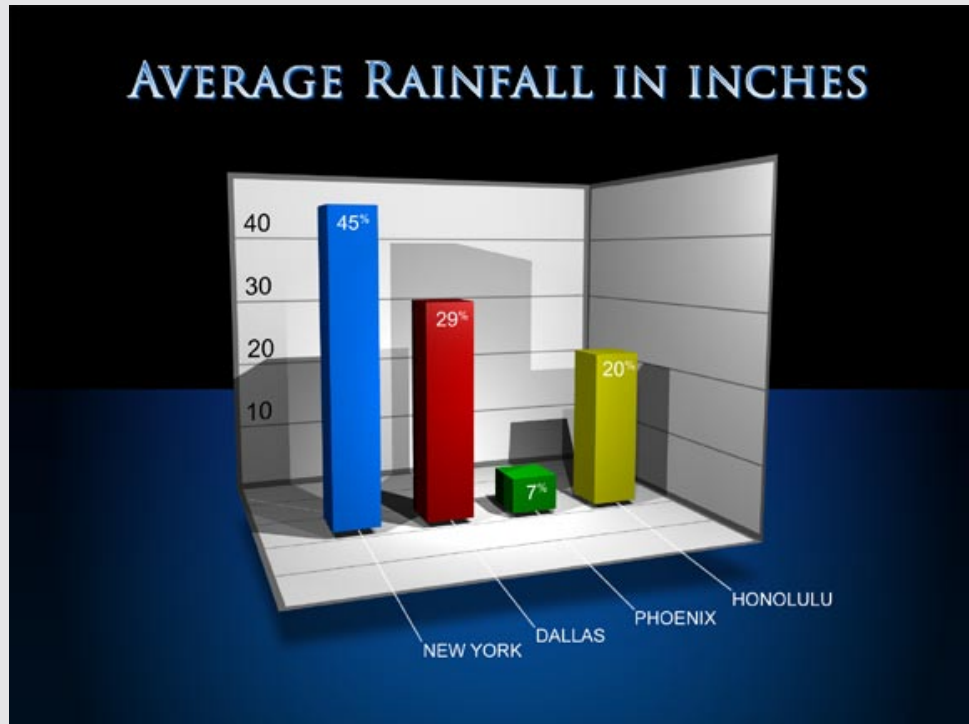

inData's skilled designers understand the importance of effectively communicating details and information in the courtroom. Our graphic design professionals provide aesthetically pleasing demonstratives without jeopardizing the purpose and subject matter of each exhibit. inData simplifies the design process by offering creative ideas and consultations for each demonstrative. We pride ourselves in the ability to produce "eye-catching" representations with a quick turnaround time.

inData offers:

- › Wide-format printing for large displays
- › All graphics provided in any optimized digital format
- › Expert proficiencies in all Illustration and 2D animation tools and techniques (including the Adobe Creative Suite and Macromedia MX)
- › Simplistic 3D (low polygonal) models and animation
