By installing copying, downloading, accessing or otherwise using the SOFTWARE PRODUCT, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, do not install or use the SOFTWARE PRODUCT; you may, however, return the package to your place of purchase within 30 days of the purchase date for a full refund. SOFTWARE PRODUCT as provided herein does not refer to source code, and no license is granted with respect to source code of any kind. Copyright and all other rights in the SOFTWARE PRODUCT shall remain with INDATA.

#### PRODUCT LICENSE

The SOFTWARE PRODUCT is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The SOFTWARE PRODUCT is licensed not sold.

1. GRANT OF FACILITY LICENSE. This EULA grants you the limited, non-exclusive right to install and use an unlimited number of copies of the accompanying SOFTWARE PRODUCT at a single facility. Use of this SOFTWARE PRODUCT at another facility or location for any purpose requires the purchase of an additional license specifically for use at that facility or location.

#### 2. COPYRIGHT

(a) Software: All title and intellectual property rights in and to the SOFTWARE PRODUCT (including but not limited to any images, photographs, animations, video, audio, music, text, and "applets" incorporated into the SOFTWARE PRODUCT ), the accompanying printed materials, and any copies of the SOFTWARE PRODUCT are owned by INDATA or its suppliers.

(b) Documentation: You are granted limited right to duplicate the documentation included with network versions of the SOFTWARE PRODUCT for the purpose of providing licensed users with reference materials. This authorization to duplicate documentation does not extend to the other elements of the SOFTWARE PRODUCT. This authorization to duplicate documentation may be transferred only in accordance with the Transfer provisions specified in the Agreement.

#### 3. TRANSFER AND OTHER RESTRICTIONS

You may transfer this License to another person ("ASSIGNEE"), but only if (1) you give all of the software (including all back-up copies) and documentation to the other person; and (2) the other person sends INDATA their name, address, written assignment from you and a written statement from the ASSIGNEE stating that the ASSIGNEE understands and agrees to the terms of this license agreement. When you transfer this license, your right to use the software and documentation ends, and you must destroy or remove all copies of the SOFTWARE PRODUCT in your possession.

You agree not to: (1) use the SOFTWARE PRODUCT or make copies of it except as permitted in this License; (2) publish or distribute the computer images, sound files, or fonts included with the SOFTWARE PRODUCT as computer images, sound files or fonts; (3) use any of the computer images related to identifiable individuals or entities in a manner which suggests their association with or endorsement of any product or service; (4) translate, reverse engineer, decompile or disassemble the SOFTWARE PRODUCT; (5) rent, lease, assign or transfer the SOFTWARE PRODUCT except as set out above; (6) modify the SOFTWARE PRODUCT or merge all or any part of the SOFTWARE PRODUCT in another program or derivative work; (7) make copies of DepoView DVDs with software applications other than the SOFTWARE PRODUCT.

#### 4. LIMITED WARRANTY

INDATA warrants that the storage media in which this SOFTWARE PRODUCT is embedded will be free from defects in materials and workmanship for 90 days from the date you acquire it. If such a defect occurs during the warranty period, return it to INDATA at the address below with a copy of your receipt

and a description of the defect in sufficient detail so as to allow us to reproduce the defect, and INDATA will repair it, replace it or provide a refund of the license fee paid (at INDATA's option). This remedy is your exclusive remedy and our sole obligation for breach of this warranty. Any misuse or unauthorized modification of the SOFTWARE PRODUCT will void this limited warranty. No person, dealer or company may expand or alter this warranty. It gives you certain rights and you may have other legislated rights which vary from jurisdiction to jurisdiction.

#### 5. LIMITATION OF WARRANTIES AND LIABILITY

Except for the express warranty above, the SOFTWARE PRODUCT is provided on an "as is" basis, without any other warranties, or conditions, express or implied, including but not limited to warranties of merchantable quality, merchantability or fitness for a particular purpose, or those arising by law, statute, usage of trade or course of dealing. Moreover, INDATA makes no warranty, representation, promise or guarantee, either express or implied, statutory or otherwise, with respect to the user documentation or related technical support. The entire risk as to the results and performance of the SOFTWARE PRODUCT is assumed by you. Because software is inherently complex and may not be completely free of errors, it is your responsibility to verify your work and to make backup copies.

Neither INDATA nor its dealers or suppliers shall have any liability to you or any other person or entity for any indirect, incidental, special or consequential damages whatsoever arising out of this agreement or out of the software licensed hereunder, including but not limited to loss of revenue or profit, personal injury, injury to reputation, lost or damaged data or other commercial or economic loss, even if INDATA has been advised of the possibility of such damages or they are foreseeable. Neither INDATA nor its dealers or suppliers shall have any liability to you for claims by a third party against you for any indirect, incidental, special or consequential damages whatsoever arising out of this agreement or out of the software licensed hereunder, including but not limited to loss of revenue or profit, personal injury, injury to reputation, lost or damaged data or other commercial or economic loss, even if INDATA has been advised of the possibility of such damages or they are foreseeable. INDATA's maximum aggregate liability to you, and that of INDATA's dealers and suppliers, shall not exceed the amount paid by you for the SOFTWARE PRODUCT. The limitations in this section shall apply whether or not the alleged breach or default is a breach of a fundamental condition or term, or a fundamental breach. Some states/countries do not allow the exclusion or limitation of liability for consequential or incidental damages so the above limitation may not apply to you.

#### 6. TERM

The license is effective until terminated. It will also terminate upon conditions set forth elsewhere in this Agreement or if you fail to comply with any term or condition of this Agreement. You agree upon such termination to destroy the programs together with all copies, modifications, and merged portions in any form. The Limitations of Warranties and Liability set out above shall continue in force even after any termination.

If this SOFTWARE PRODUCT is acquired by or for the U.S. Government then it is provided with Restricted Rights.
